ABOUT CROWE'S CABINETS

A family owned company since 1978, Crowe's Cabinets sets the standard for quality and customer satisfaction in the Youngstown, Ohio area. Still at home in Youngstown, Crowe's has become known from Cleveland to Pittsburgh, Columbus to Morgantown, and beyond.

Our people have decades of experience in both the residential and commercial markets. Whether your project is a kitchen remodel, bathroom renovation, office remodel, or other space, our designers have years of experience and an extensive knowledge of what's available, from cabinets and hardware, to tile, lighting, and even granite options.

With the vision of our designers, the skill of our builders, and the ability of our facility and technology, at Crowe's Cabinets we say sincerely, **if you can dream it, we can build it.**

Kitchen remodel, bath renovation, home office makeover: Whatever your home remodel project, our designers will help you craft the space you need, within your budget.

Crowe's Cabinets will design, build, and construct your next home remodeling or new build project for every room in your home including:

- Kitchen
- Bathroom
- Laundry Room
- Home Office
- Mudroom
- Man Cave
- She Shed

In addition to our own custom capabilities, we work with the top national cabinetry brands to provide the widest array of options. Our designers will find the parts that fit your style, and your budget.

Since 1978 we are the #1 kitchen and bath company in the Youngstown, Ohio Region. In this inspirational look book we are highlighting a kitchen remodeling project that features a all new cabinets, counter tops, appliances, flooring and lighting. Additionally the room features a new kitchen island and an expansive pantry.
